- Nation-wide service
- Employment counselling of applicants
- Savings in time and money
- Part-time help in all categories

LET NES WORK FOR YOU

Whether you require one key man or a complete staff, the trained and experienced personnel of your NES will provide a wide selection of suitable applicants. Through its university placement offices, and the career counselling service for high school students, a good choice of graduates is available.

Applicants are referred to you, or, arrangements may be made for you to interview them at your National Employment Office.

Part-time help is as near as your telephone, to assist you during seasonal rushes, sales, peak

week-end trade and any other time. Phone the National Employment Office in your community, which will refer suitable workers to you.

NES serves all employers, large and small. It covers all occupations. For example—Managers—Buyers—Sales Clerks—Cashiers and Checkers—Parcellers—Stockroom Staff—Bookkeepers—Window dressers—Truck drivers.

YOUR NES SERVICE INCLUDES

- A complete placement service—designed to find the right worker for the right job.
- Recruitment of all types of employees—one at a time or in large numbers.
- Employment counselling of applicants enabling NES to find you personnel who will learn faster, produce better and stay on the job longer.
- Accessibility to the largest pool of workers—in your community and in the nation.
- Referral of the best applicants available, only after a careful screening of their qualifications against your requirements.
